

Jeevan Medical Writing Services

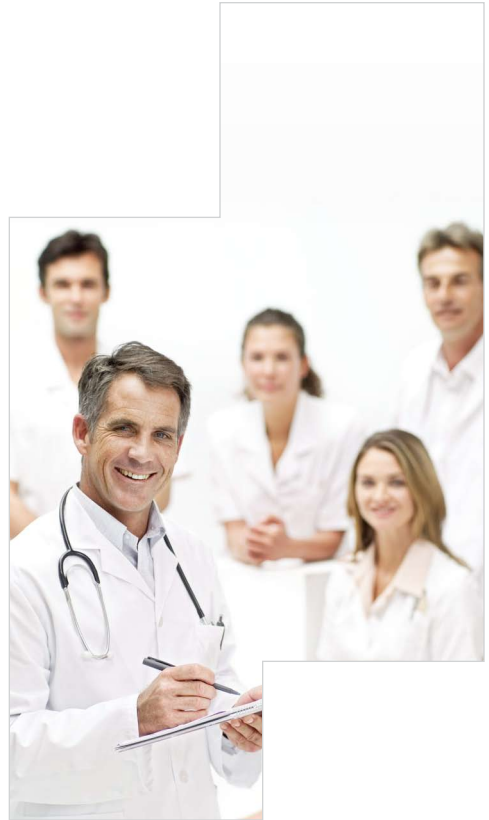

JEEVAN SCIENTIFIC TECHNOLOGY LIMITED
a symbol of quality and diverse solutions

Jeevan Scientific Technology Limited

(Jeevan) established in 1999, is a global management consulting, technology services and outsourcing company providing services in clinical, education, staffing and information technology.

Jeevan provides excellent assistance to clients in achieving their objectives in scientific communications through expert planning and development of high-quality medical documents. Medical writing service portfolio at Jeevan is very diverse and includes commercialization, regulatory and technical documents along with several other customized services, as per the client requirement. Our medical writers are committed to providing quality writing solutions across a wide range of therapeutic areas. The well-organized and established writing processes ensure cost-effective solutions with low turnaround time. Jeevan with its well-qualified team of editing and language support experts, graphic designers, data integrity analysts and writing quality reviewers represents the best service values and an outstanding scholastic approach in the medical writing industry.

Jeevan is an ideal partner in the increasingly competitive pharmaceutical industry and stands-out as
“a symbol of quality and diverse solutions”.
